

Healthy Harold leads the way

FORSTER Public School students are currently experiencing a busy period with extra-curricular activities.

The Life Education Van is visiting the school. Its program addresses many of the components of the Physical Development/ Health and Physical Education curriculum. Club Forster has sponsored the students as part of their service to the local community.

The student body has been busy cleaning up the school grounds and the areas around the school as part of their

effort in the Clean Up Australia campaign.

Forster Public School swimmers have been enjoying considerable success with five swimmers from the school recently attending the regional Primary Schools Sports Association swimming carnival at Maitland. The senior boys relay team was competitive coming fourth in their heat, while William Simon will represent the school in the 50 metre freestyle event at the state carnival at Homebush later in the year.

REPRESENTATIVE SWIMMERS: Forster Public School's William Simon will compete in the 50metres freestyle at the state carnival while the school's senior boys relay team of Ben Crowther, Luke Robertson, Jacob Visser and Lachlan Fuller finished fourth in their heat at the recent regional swimming carnival.

LIFE EDUCATION VAN VISIT: Forster Public School's class captains of 4/5 Natalie Le Rougetel and Finn Kennett with Life Education presenter Silvia Martinez
